27 Mar 74 (1130 p.m.) Minga	Big, luminous, moved slowly. Pale like a gaseous mass. Photographers.
<p>Associated vertically, noticeably. Only stationary according to observer with binoculars. Made little noise, turned for several minutes.</p> <p>Was motionless over the highway about 200 meters from observer. A similar object, also motionless, was seen 15-20 meters away. Two beings came out of the first vehicle, pointed to observer's truck, then went in again and both UFO's flew away.</p> <p>Three silver ships parked on the highway with light similar to floodlight. Observer stopped motor of his car and some figures approached him. He ran, frightened, and they followed him. He threw himself into a gutter. His pants passed within 2 meters and he saw them. They were about 2 meters tall; had arms and legs but he did not see their faces. After they passed he returned to the truck. The beings returned to observe him again, then they entered their ships and left. Next day the Guardia Civil made an investigation. They found a hole in the ground, which the truck driver said he had not made.</p> <p>Photographed by 25 on teleobjective lens, published in local paper. Later two more UFO's were discovered when the negative was developed. The UFOs vanished disappeared slowly. Fifteen minutes later a small blue-violet mass was visible.</p>

DD FORM 1396c	UNCLASSIFIED UNCLASSIFIED (Classification and Control Markings)	16 June 74 (5 a.m.) Clear (3928-00620) Luminous, emitting brilliant light on the highway. 14-year-old farm laborer. Was pursued by UFO for several kilometers at great speed. Saw three tall figures standing inside the ship. When observer extinguished the lights on his car, the object drew away. Then as he turned them on again, UFO approached again at enormous speed some 70 meters over his car. It followed him home and when he turned out his car lights, it slowly flew away. Comments: It is of interest to note that in April of this year teams of extra sensory perception specialists held a meeting in Alhago for the purpose of scientifically studying the UFO seen in that vicinity. Results of this meeting unknown.
